

INDEFINITE BLANKET PERMIT MEXICO CHARTER BLANKET PERMIT REQUIREMENTS

The process for Part 135, Part 121, Part 125, Cargo or Ambulance to obtain a Mexican Indefinite Blanket Permit (IBP) takes about six months once complete and correct paperwork have been submitted.

Documents needed:

1. General power of attorney on our behalf apostilled and notarized* **Attached**, please fill out both sections. ***Original**
2. Copies of Registration and Airworthiness certificates for all the tail numbers on your fleet to be included.
3. Mexican and Worldwide Insurance stating commercial use and including the tail numbers on your fleet. *colored copies are fine
4. Air Operator Certificate (should mention company name)
5. Articles of Incorporation (apostilled and notarized) ***Original**
6. Operations Specifications Manual
7. General Operations Manual
8. - Do85 (listing all the aircraft to be included in the permit).
9. -ELT letter with updated equipment requirements ***Attached** to be signed by the Director of Maintenance or Director of Operations
10. Mexican AIP Manual (we will buy this on your behalf if you don't have one already)
- 11 OST FROM 4507/6410
12. Questionnaire ***Attached** please only fill out Spanish version. English version only for reference
13. Certified FAA letter stating aircraft is equipped with the new requirement according to **NOM-008-SCT3-2002** (Minimum Equipment List MEL)

14. Safety Manual issued in Country of origin

15. Mexican Insurance Subscription approval before the AFAC * we'll do this on your behalf

16. Noise Certificates for all of the aircrafts to be included.

The first process of the permit is to obtain a Security Manual against Acts of Unlawful. For this purpose, we need:

1. Company logo as an electronic file (JPG, PDF or similar)
2. Your complete company address
3. Information regarding each aircraft (weights, three view draw, engine serial numbers, seat configuration, aircraft serial number, year of construction, etc.)
4. Company organizational chart (Company Hierarchy Chart)
5. Company directory (list of employees with phone numbers and e-mail addresses)
6. Image showing hangar location in home-based airport

MEXICO CHARTER BLANKET PERMIT CHECK LIST

(Include this checklist in your package)

Three different types of permit are available for aircraft with 19 seats or fewer:

1. Passenger
2. Cargo
3. Air Ambulance

Permit for more than 19 passenger seats:

1. Fletamento

*Please circle the one you request.
